

**IKEA issues recall of METALLISK Espresso Maker.**

IKEA is conducting a voluntarily recall of the product, METALLISK Espresso Maker for hob 0.4 l with the stainless steel safety valve (silver/grey). No other units are affected by this recall.

IKEA is recalling the product due to an increased risk of the product bursting during use.

The affected METALLISK Espresso Maker were sold at IKEA stores and online from 1 October 2019.

Customers who own the METALLISK Espresso Maker with stainless-steel safety valve should stop using the product immediately. The product can be returned to any IKEA store for a full refund. Proof of purchase (receipt) is not required. For more information, please contact the IKEA Customer Contact Centre at +65 67866868 or visit [IKEA](https://www.ikea.com).
